

Board Meeting — September 24, 2021, 12:00 noon (zoom)

Meeting called to order: 12:04 pm

Board Members present: Mike Crosby, Steve Donovan, Maria Hanson, Diana Infante, Matt Jackson, BJ Newell, Coach Newell, Kurt Schneider and guest Lisa West

Excused Absent: Todd, Alfred, Howard

New Business:

Lisa West, Suzie Price's business relations and special events coordinator, proposed a collaboration for Friends of Belmont Shore with Suzie's office. If FOBS agreed, we would apply for a LB Port Grant as Suzie Price's fiscal agent for her annual spring community concert known as "The Spring into Summer Concert" and ask for \$5,000 in funding. The concert would be advertised as "Friends of Belmont Shore in collaboration with Suzie Price's Office." After discussion, board members were unanimously in favor of making a second grant application for this spring concert and continue having FOBS' annual community concert in August. Left undecided is whether FOBS should collect donations from the audience at both concerts.

Meeting adjourned at: 12:25 pm
